Sable — Illustrator Handoff

Axis Studio Promo Video · Summarized Context Bridge

For Sable

WHAT THIS IS

A distilled snapshot of everything the team has aligned on so far for the Axis Studio Promo Video. Written for Sable to pick up illustration work with full context — without needing to scroll through the full board. Treat this as the single source of truth for the current creative direction.

CONFIRMED CREATIVE DIRECTION

STYLE	CHARACTER	PALETTE
Warm, textured, hand-drawn	**Golden retriever only**	**Warm earth + lime accent**

YOUR ACTION ITEMS

- **Rework character references**
  Replace current refs with actual golden retriever photo references
- **Finalize golden retriever pose library**
  Minimum 6 poses needed for varied scene compositions
- **Work on sketches in parallel**
  Proceed in sketch/greyscale — don't wait on color sign-off to start

OPEN BLOCKER

> Color palette is not yet approved. Jordan must confirm the earth tone variants before any colored renders are finalized. S
> sketch/greyscale until this is resolved.

WHO TO LOOP IN

- **Jordan — color palette sign-off**
  Earth tone variants pending Jordan's approval before renders can be finalized
- **Maya (Creative Director)**
  Escalate any creative direction ambiguities here

BOARD CONFIDENCE NOTE

The board flags an 84% conflict score on direction 1 — some source tensions are still being resolved by the team. When in doubt, default to the confirmed rules above rather than any conflicting input.
